

Harnessing Physical Intelligence For Leadership

16:00 - 18:00 | 04/07/2024 | Pomme d'Or Hotel, St Helier

[Book now](#) →

Delve into the transformative power of Physical Intelligence® methodology

This event will explore the transformative power of the Physical Intelligence® methodology. Leaders face relentless pressure and conflicting priorities in today's fast-paced and demanding business world.

Join us to gain insights, tools, and techniques that will transform your approach to leadership and help you achieve peak performance in any environment.

Why Physical Intelligence® matters

Physical Intelligence® is your ability to perform better using the readily available full technology of your own body. You can

become more confident, have better brain power, improve your mental health, reduce your anxiety and stress, have more energy and creativity, be more resilient, have more endurance, and live a happier life with ease whenever you want.

Speaker Profiles

Kevin Chapman, Momentum and mission - Kevin is a highly experienced coach, consultant, trainer, communication specialist and business leader with significant commercial experience designing and delivering leadership and high-performance coaching. He has worked with clients including BP, Coors, Shell, HSBC, PwC, Aon and Jaguar Land Rover.

Claire Dale, Founder, mover and shaker - Movement specialist, leading exponent of Physical Intelligence, international speaker and co-author of the award-winning book Physical Intelligence, Claire successfully coaches, trains and consults to help individuals and teams achieve peak performance through Physical Intelligence.
