Terms and conditions for apprenticeship grants

Welcome to the Terms and Conditions for the Apprenticeship Grants. This document provides guidelines for businesses that employ apprentices who are paid during their attendance in Government subsidy approved Apprenticeship pathways. The grant offers targeted support with a payment of £2,000 per qualifying apprentice. The terms and conditions outline the requirements and responsibilities for recipients to ensure compliance with relevant legislation and the effective use of public funds. Key sections include funding details, administration, recipient obligations, sanctions/clawbacks, risk management, and project success criteria.

NB-This is a draft version of the T&Cs. We will post a fully approved version soon.
